

## Notice of Review of Polling Districts, Polling Places and Polling Stations

### The Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006

Conwy County Borough Council is conducting a review of polling districts and polling places or use in connection with parliamentary elections held within the constituencies of Aberconwy and Clwyd West.

The formal consultation period will run from **29 September 2014** until **24 October 2014**.

Representations will be sought from the Acting Returning Officer for the two parliamentary constituencies, as well as other interested parties. We are inviting representations or comments on the existing provision of polling places from any elector registered within the County Borough of Conwy, or any person or body with expertise in access for persons with any type of disability. Persons or bodies making representation should, if possible, give alternative places that may be used as polling places.

Information is found on the Council's website, where you can respond by completing the online questionnaire at [www.conwy.gov.uk/pollingstationreview](http://www.conwy.gov.uk/pollingstationreview). Details of the current polling places are also available to view on the website but if you wish to inspect maps of current polling districts please contact Electoral Services to arrange a viewing.

Representations should be made no later than 24 October 2014 by either the online questionnaire, email to [electoral@conwy.gov.uk](mailto:electoral@conwy.gov.uk) or in writing to:

Electoral Services Office  
Conwy County Borough Council

At the close of the consultation period the Council will consider all relevant representations received and will publish its final proposals on the website.
