209/16 Ymddiheuriadau am Absenoldeb:

Derbyniwyd ymddiheuriadau am absenoldeb oddi wrth y Cyngorwyr Mrs G.
Baker, R. Foreman, C. Perry.

210/16 Cyhoeddiadau:

Atgoffwyd yr Aelodau gan y Maer am ei swper Elusennol Pysgod a Sglodion
sydd i'w gynnal dydd Llun, 24^{ain} Hydref. Diolchodd hefyd i Glenc y Dref a'r
Clerc Cynorthwyl am eu cyfraniadau, fel Swyddogion Pwyllgor Colwyn yn
ei Blodau, tuag at ennill y Gwobrau Arianwaith a ddyfarnwyd yn ddiweddar i
Fae Colwyn gan Gymru yn ei Blodau a Phrydain yn ei Blodau.

211/16 Datgan Cysylltiadau:

Atgoffwyd yr aelodau o'r angen iddynt ddatgan unrhyw gysylltiad personol a /
neu gysylltiad sy'n rhagfarnu, a natur y fath gysylltiadau. Atgoffwyd y
Cyngor gan y Cyngorwyr A. Khan a D. Griffiths mai hwy yw cynrychiolwyr
y Cyngor a benodwyd i fod ar Bwyllgor Llywio'r Pier a sefydlwyd fel
partneriaeth ffurfiol parthed y cais cyntaf i HLF ac mae'n parhau i gyfarfod yn
achlysurol i roi'r wybodaeth ddiweddaraf i'r Cyngor Tref.

212/16 Ymwelwyr â'r Cyngor:

a. Croesawyd cynrychiolwyr o Gyngor Bwrdeistref Sirol Conwy (CBSC)
a Bowmer a Kirkland, y Prif Contractwr, i'r cyfarfod gan y Maer fel y gallent
roi'r wybodaeth ddiweddaraf i'r Cyngor Tref am y gwaith o gyflwyno'r
Strategaeth ar Swyddfeydd.

Agorwyd y cyflwyniad gan Bleddynd Evans, Ystadau Colwyn, trwy atgoffa'r
aelodau ei fod wedi gado dychwelyd ar adeg briodol yn ystod y prosiect a
byddai Bowmer a Kirkland ar y safle o fewn ychydig wythnosau. Yna,
cyflwynodd Wes Irlam o Muse ac fe esboniwyd strwythur cwmni Grŵp
Morgan Sindal, cwmni cyfyngedig cyhoeddus. Mae gan Muse Dedvelopments
pedair swyddfa ranbarthol ac mae'n cyflogi staff o dros 70, yn arbenigo mewn
rheoli datblygiadau a rheoli prosiectau i bartner gwmlnïau, 85% ohonynt yn
awdurdodau lleol. Mae gan ddynt 35-45 o brosiectau yn mynd ymlaen ar
unrhyw adeg a rhestrodd Wes y prosiectau mwyaf hysbys y bu'n gysylltiedig â
hwy. Yna cyflwynwyd Geoff o gwmlni'r prif bensaer, AHR.

Dyweddodd Geoff Goodman wrth yr aelodau bod cam y cytundeb wedi cyrraedd a dangosodd rhai delweddau o adeilad y swyddfeydd newydd, sy'n bennaf dan wydr gyda chladin copr alwminiwm. Roedd y cytundeb yn cynnwys hefyd datblygu maes parcio estynedig i 150 o geir ym Mharc Eirias, gyda gwasanaeth bws parcio a theithio i'r staff (gan ddefnyddio gwasanaeth Arriva) ac at ddigwyddiadau yn y Parc ar nosweithiau a phenwythnosau. Yna cyflwynodd ei gydweithiwr Phil Marsden o Muse, ac fe aed trwy ddyddiadau allweddol y prosiect.

Yna anerchwyd y Cyngor gan Malcolm Robertson o Muse am Werth Cymdeithasol elfennau'r prosiect, sy'n cynnwys gwneud y mwyaf o adnoddau lleol megis isgontactwyr a chynnig lleoliadau i brentisiaethau, hyfforddiant a phrofiad gwaith mewn amryw o wahanol feysydd. Cyfeiriodd hefyd at ran Ymddiriedolaeth y Tywysog, sydd yn ei deugeinfed flwyddyn, trwy helpu i ddynodi pobl leol i gael hyfforddiant.

Yna parhaodd Wes gyda'r cyflwyniad ag amlinellodd ail gam y prosiect, fydd yn golygu ail-ddatblygu safle'r Ganolfan Ddinesig unwaith y bydd yn wag. Roedd trafodaethau yn mynd ymlaen gyda Chartrefi Cymru am y posibilrwydd o gael model o westy menter gymdeithasol a fyddai'n cynnig amryw o gyfleoedd hyfforddiant. Mae arwyddion cychwynnol yn gadarnhaol ac mae archwiliadau yn mynd ymlaen am ddyluniadau dichonadwy, y costau a'r gallu i'w gyflenwi. Rhaid i'r cynllun fod yn un cadarn ac yn un y gellir ei gyflwyno ac mae archwiliadau yn mynd ymlaen ar hyn o bryd i ymweld â phrosiectau tebyg mewn mannau eraill.

Dilynwyd y cyflwyniad gyda sesiwn o holi ag ateb gyda'r aelodau yn codi cwestiynau / pryderon am: mwy o aflonyddwch i draffig yn y dref tra bo'r gwaith ar lan y môr yn mynd ymlaen (cytunwyd ar gynllun trafnidiaeth fanwl yn ddiweddar gan yr Adran Briffyrd); cyflogi peirianwyr lleol; a oes unrhyw bosibilrwydd o gael buddsoddwr preifat i gael gwesty (ni fu'n bosibl i gael buddsoddwyr preifat ond ni chafodd y posibilrwydd ei ddiystyru, ac fe ellir ei roi ar y farchnad unwaith eto os yn angenrheidiol): cysylltu â'r maes parcio yn Eirias; a fydd y maes parcio newydd y swyddfa ar agor i'r cyhoedd ar nosweithiau / penwythnosau - mae'r cyfle yna os oes digon o alw amdano a'i fod yn ddichonadwy; a yw'n bwriad i godi tai ar safle'r Ganolfan Ddinesig - yw, cynllun tai ar raddfa fechan ar ochr ddwyreiniol y Ganolfan Ddinesig; pryder bydd yr adeilad yn edrych yn ddi-raen mewn ychydig o amser - bydd y deunydd a'r gorffeniad a ddefnyddir yn gyfoes ac fe baratoir rhaglen fanwl o lanhau a chynnal a chadw yn cynnwys archwiliad blynnyddol.

Diolchodd y Cadeirydd i'r ymwelwyr am y cyflwyniad llawn gwybodaeth a gadawsant y cyfarfod.

b. Croesawyd cynrychiolwyr o Ymddiriedolaeth Pier Victoria Colwyn (YPVC) gan y Maer fel y gallent roi'r wybodaeth ddiweddaraf i'r Cyngor Tref am y gwaith o achub y Pier ac iddynt gael y cyfle i wneud cais am gefnogaeth ariannol.

Cyn cyflwyno cynrychiolwyr yr Ymddiriedolaeth, gofynnodd y Cadeirydd i'r Clerc atgoffa'r aelodau o'r sefyllfa ariannol bresennol. Dywedodd y Clerc wrth yr Aelodau y cytunwyd ar gyllideb gychwynnol o £30,000. Defnyddiwyd £10,000 o hwn ar y cais cychwynnol, a chlustnodwyd £20,000 pellach tuag at y posibilrwydd o brosiect a gyllidwyd gan HLF, o gam ddatblygiad

dichonadwy. Ni fu'r cais cychwynnol yn llwyddiannus a rhyddhawyd £5,000 o'r £20,000 oedd yn weddill i'r Ymddiriedolaeth (ym Medi a Hydref 2015) ar gyfer y gwaith o baratoi ail gais, ac fe wariwyd £2,064 o hwn hyd yma. Mae hyn yn gadael cyllideb a glustnodwyd o £17,935 os bydd y balans na wariwyd o £2,936 yn cael ei drosglwyddo o'r llynedd.

Cyflwynodd Mark Roberts, Cadeirydd yr Ymddiriedolaeth, ei hun i'r aelodau a diolchodd i'r Cadeirydd am gael y cyfle i annerch y Cyngor ar fyr rybudd.

Rhoddodd amlinelliad am gynnig presennol CBSC i ail-gyflwyno cais i ddymchwel rhan helaeth o'r Pier trwy broses o ddatgymalu. Bydd hyn yn golygu labelu a symud pob darn o'r adeiladwaith a'u harchwilio i weld os oes posibilrwydd i'w defnyddio yn y dyfodol. Yna bydd rhaid eu storio oddi ar y safle hyd nes bydd eu hangen. Dywedodd Mark wrth y Cyngor rhaid i'r broses o ddatgymalu adeilad rhesteddig fod yn un barhaus, neu fel arall, gwaith dymchwel bydd y gwaith. Disgwylir i'r cynnig newydd gadw'r llwyfan gerdded, tri rhaniad, ond yn llawer byrrach. Fodd bynnag, ni fyddai hyn yn cyd-fynd a diffiniad Cymdeithasau Cenedlaethol Pierau o beth yw Pier a byddai'n cynnig ond ychydig o ddulliau i gynhyrchu incwm ar gyfer y costau o gynnal a chadw yn y dyfodol a chostau yswiriant.

Fe aeth ymlaen i egluro bod yr Ymddiriedolaeth yn bwriadu ceisio cael cefnogaeth CBSC ac i gael cyllid gan HLF ac eraill i ddatgymalu'r Pier a'i ail-adeiladu mewn camau, fel proses parhaus. Bydd y gwaith o adnewyddu yn mynd ymlaen mewn lleoliad dros dro ger y mynediad i'r Pier. Bydd hyn yn cynnig cyfleoedd i gysylltu Coleg Llandrillo ac efallai hefyd partneriaid y Brifysgol Agored ac ysgolion lleol mewn prosiectau treftadaeth ac adnewyddu. Mae'r potensial yna hefyd i ddenu ymwelwyr.

Yna cafwyd cyflwyniad ar ran yr Ymddiriedolaeth gan Nigel Gilbert, pensaer wedi ymddeol, ac amlinellodd camau dichonadwy'r prosiect adnewyddu a dangosodd brasluniau o bob cam. Bydd Cam 1, mewn cydweithrediad a ChBSC, yn cynnwys part henter leol ar yr ochr tua'r tir o'r Pier, gyda chanopi a ffynhonnau ynni ar gyfer podau bach / unedau gwerthu megis cabanau traeth a yb. Bydd angen cyllid HLF ar gyfer Camau 2 a 3. Bydd Cam 2 yn golygu adnewyddu'r rhan nesaf o'r Pier a'r Pafiliwn amlbwrrpas, i gynnwys tynnu i lawr cragen bresennol y pafiliwn, asesu cyflwr y murluniau i weld a ellir achub / adnewyddu rhai ohonynt ac adnewyddu pafilwin art deco y 1930au gyda'i theatr fewnol i fod yn lle amlbwrrpas ar gyfer digwyddiadau adloniant amrywiol. Bydd y pafiliwn yn cynnwys tafarn hefyd, gan alluogi prentisiaethau arlwytaeth a lletygarwch. Dilynir hyn gyda Chamau 3 a 4 gyda llwyfan gerdded y Pier yn parhau hyd at ei bellter presennol gyda chabanaus traeth, ystafelloedd stiwdio a seminarau ar yr ochr tua'r môr, i'w defnyddio'n annibynnol neu ar y cyd fel math o ysgol haf gyda ffocws ar y celfyddydau, pierau ac adeiladu. Yna amlinellodd y posibilrwydd o gael Cam 5 a fyddai angen buddsoddiad preifat, ond gyda'r potensial i ymestyn y Pier i ddyfroedd dyfnach trwy godi morglawdd a fyddai'n galluogi badau megis llongau fferi, cychod hwylio a llongau i ddocio a chreu lagŵn llanw.

Daeth y cyflwyniad i ben gyda Mark Roberts yn rhoi manylion am y tîm proffesiynol a gasglwyd at ei gilydd i helpu'r Ymddiriedolaeth, gan gynnwys peiriannydd strwythurau, pensaer, cynllunydd busnes gyda phrofiad o brosiectau a gyllidwyd gan HLF, archeolegwyr ac arbenigwr ar ddenu cyllid. Roedd angen i'r arbenigedd hwn cael ei gyfuno rŵan i gynhyrchu cynllun

busnes diamheol a dichonadwy er mwyn dod a ChBSC i fod yn rhan o'r prosiect yn llawn a denu cyllid allanol oddi wrth gyrrf sy'n cyllido megis HLF. Bydd y gost o gyfuno'r holl ddogfennau angenrheidiol i'r lefel o fanyldeb y gofynnir amdano i fodloni CBSC yn ogystal ag HLF oddeutu £45,000. Ni fydd llawer o gyllidwyr yn barod i fuddsoddi hyd nes bydd CBSC, fel perchnogion y Pier, yn cyd-fynd a'r cynllun. Gofynnodd Mark, felly, a fyddai'r Cyngor Tref yn barod i ystyried trosglwyddo £15,000 o'r gefnogaeth ariannol a addawyd yn flaenorol tuag at y Cam Datblygu er mwyn cwblhau'r gwaith cychwynnol. Daw cyllidwyr eraill yn rhan o'r Cam Datblygu, unwaith bydd mwy o sicrwydd am y prosiect a bod CBSC yn rhan ohono.

Yn dilyn y cyflwyniad cafwyd sesiwn byr o gwestiynau a sylwadau am: lefel cyfraniad trethdalwyr tuag at gadw Pierau i fynd (Cleveland); faint o arian a godwyd hyd yn hyn gan YPVC oddi wrth y cyhoedd? (oddeutu £5,000 yn y blynnyddoedd diwethaf ac mae angen cynllun busnes cynhwysfawr i brofi bod yna opsiwn ar wahân i ddymchwel a fydd yn cael ei gyllido'n gyfan gwbl gan y trethdalwyr lleol); pryderon na all CBSC dymchwel y Pier a rhaid ei ddatgymalu'n ofalus a storio unrhyw ddarnau y gellir eu haildefnyddio, yr oll ar gost y trethdalwyr; cynaladwyedd hirdymor yn bwysig a byddai'n rhaid cael pafiliwn i gynhyrchu'r lefel o incwm angenrheidiol; ffafriaeth i gael pentir newydd ar gyfer digwyddiadau a fyddai'n cydfynd a chynllun newydd lan y môr a phryderon bydd yr ailddatblygiad yn disbyddu arian y trethdalwyr; yn gefnogol o'r Ymddiriedolaeth, a weithiodd mor galed; yr angen i adlewyrchu barn y cyhoedd, llawer ohonynt yn dymuno adnewyddu'r Pier; cefnogaeth i'r cynlluniau newydd, ond yn cydnabod bod angen gwario arian y cyhoedd yn ddoeth ac mae llawer eto i wneud ac angen codi llawer mwy o arian; o ble ddaw gweddill yr arian pe bae'r Cyngor Tref yn rhyddhau £15,000 (cyllid HLF).

Gofynnwyd i'r bleidlais cael ei gofnodi ac yna gofynnodd y Cadeirydd am gynnig. Cynigiwyd bod £15,000 yn cael ei ryddhau i'r Ymddiriedolaeth fel y gallent wneud y gwaith angenrheidiol i baratoi cynllun busnes cynhwysfawr.

Cynigiwyd gwelliant i'r cynnig a chafodd ei eilio.

Cymeradwyo cyllid o £15,000 i Ymddiriedolaeth Pier Victoria Colwyn tuag at y costau o baratoi cynllun busnes cynhwysfawr ar gyfer ail-ddatblygu'r Pier, ar yr amod bod yr Ymddiriedolaeth yn gallu cyflwyno tystiolaeth bod £15,000 o gyllid cyfatebol ar gael o ffynonellau eraill tuag at gyfanswm y costau a amcangyfrifir i fod yn £45,000.

Cytunwyd ar hyn trwy fwyafrif o 12 o blaid, 3 yn erbyn a 2 yn ymatal eu pleidlais, fel a ganlyn:

O Blaid Cyngorwyr D Griffiths, L Griffiths, M Jones, A Khan, A Mason, J Pearson, T Pearson, S Roy, V Smith, S Taylor, G Ward, S Williams

Yn Erbyn Cyngorwyr B Bagnall, V Perry, C Wood

Ymatal eu Pleidlais Cyngorwyr J Davies, H Meredith

**MINUTES OF A MEETING OF THE BAY OF COLWYN TOWN COUNCIL,
HELD IN THE COUNCIL CHAMBER, TOWN HALL, RHIW ROAD,
COLWYN BAY, AT 6.00 P.M. ON MONDAY 17TH OCTOBER 2016**

PRESENT: Town Mayor, Cllr J Davies (Chairman)
Cllrs: W Bagnall, D Griffiths, Mrs L Griffiths, A Khan, Mrs M Jones, A Mason, Mrs H Meredith, J Pearson, A Pearson, Mrs V Perry, Dr S Roy, Mrs V Smith JP, S Taylor, G Ward, S Williams, C Wood

OFFICER: Mrs C Earley, Town Clerk

IN ATTENDANCE: Representatives from Conwy County Borough Council,
Muse Developments and Bowmer & Kirkland
Representatives from Colwyn Victoria Pier Trust

209/11 Apologies for Absence:

Apologies for absence were received from Cllrs: Mrs G Baker, R Foreman, C Perry

210/11 Announcements:

The Mayor reminded members about his Charity Fish and Chip supper, being held on Monday 24th October and thanked the Town Clerk and Assistant Clerk for their contribution, as Officers to the Colwyn in Bloom Committee, towards the Silver Gilt Awards recently awarded to Colwyn Bay from both Wales and Britain in Bloom.

211/11 Declarations of Interest:

Members were reminded that they must declare the existence and nature of any personal and/or prejudicial interests. Cllrs A Khan and D Griffiths reminded the Council that they are its appointed representatives on the Pier Steering Group, which was set up as a formal partnership in respect of the first bid to the HLF and continues to meet on an irregular basis to keep the Town Council updated on progress.

212/11 Visitors to the Council:

- a) The Chairman welcomed representatives from CCBC, Muse Developments and Bowmer & Kirkland, the Lead Contractor, to update the Town Council with progress on delivering the Office Accommodation Strategy.

Bleddyn Evans, CCBC Estates, began the presentation by reminding members that he had promised to return at a salient time in the project and that Bowmer & Kirkland and Muse would be on site within the next few weeks. He then introduced Wes Irlam from Muse, who explained the company structure for the Morgan Sindall Group, a public limited company. Muse Developments has four regional offices and employs over 70 staff, specialising in development management and project management for partner organisations, of which 85% are local authorities. It has 35-45 projects ongoing at any one time and Wes listed some of the better known projects it has been involved with. He then introduced

Geoff from the lead architect, AHR.

Geoff Goodman informed members that we had now reached the contract stage of the project and he showed some images of the proposed new office building, which is predominantly glazed with copper aluminium cladding. The contract also included the development of an extended 150 space car park at Parc Eirias, which could be used as a park and ride for staff (using the frequent Arriva service) and for events in the park at evenings and weekends. He then introduced his colleague Phil Marsden of Muse, who ran through the key milestone dates for the project.

Malcolm Robertson from Muse then addressed the Council about the Social Value elements of the project, which include maximising use of local resources such as sub-contractors and providing apprenticeships, training and work experience placements in a variety of fields. He also referred to the involvement of the Prince's Trust, now in its 40th year, which helps by identifying local people to receive training.

Wes then continued with the presentation and outlined phase two of the project, which would involve the redevelopment of the Civic Centre site once vacant. Talks are ongoing with Cartrefi Conwy about a possible social enterprise hotel model which could offer a variety of training opportunities. Initial signs are positive and potential designs, costings and deliverability are being explored. A robust and deliverable plan would be a necessity and visits are currently taking place to similar projects elsewhere.

A question and answer session followed the presentation, with questions/concerns from members about: further traffic disruption in the town whilst the waterfront project is ongoing (detailed traffic management plan recently approved by Highways); employment of local engineers; whether there is still any possibility of private investment to provide a hotel (was not possible to find a private investor, but has not been completely ruled out and they could take it back to market, if necessary); connection to car parking at Eirias; whether the new car park serving the offices will be open for public use during evenings/weekends – the opportunity is there if there is sufficient demand and it was viable; whether there is still any housing proposed for the Civic site – yes, a small housing scheme to the east to the Civic Centre; concern that the building may look shabby relatively quickly – modern materials and finishes are being used and there will be a detailed cleaning and maintenance schedule including an annual inspection.

The Chairman thanked the visitors for their informative presentation and they retired from the meeting.

- b)** The Chairman welcomed representatives from Colwyn Victoria Pier Trust to update the Town Council on progress with its work to save the Pier and make a request for funding support.

Before introducing the Trust's representatives, the Chairman asked the Clerk to remind members of the funding position to date. The Clerk advised Members that an initial budget of £30,000 had been agreed, of which £10,000 had been used for the initial bid and a further £20,000 had been earmarked for the potential development phase of an HLF funded project. The initial bid had

not been successful and £5,000 of the £20,000 remaining had since been released to the Trust (in September and October 2015) for work on preparing a second bid, of which £2,064 has been spent to date. This leaves an earmarked budget of £17,936, if the unspent balance of £2,936 is carried forward from last year.

Mark Roberts, Chairman of the Trust, introduced himself to members and thanked the Chairman for the opportunity to give a presentation to the Council at short notice.

He outlined the current proposal of CCBC to resubmit an application to substantially demolish the Pier by a process of dismantling, which involves labelling and removing every piece of the structure and examining it for potential future re-use, storing it off-site until required. Mark advised the Council that a process of dismantling a listed building must be continual, otherwise it is demolition. The new proposal is expected to include the retention of a much reduced, three bay, decked boardwalk. However, this would not meet the National Pier Societies classification of a Pier and would offer little, if any, income generating means for future maintenance and insurance costs.

He then went on to explain that the Trust was still proposing to seek CCBC support and funding from the HLF and others for dismantling the Pier and rebuilding it in phases, as a continual process, with renovation work taking place in a temporary structure located close to the entrance to the Pier. This would offer opportunities for involvement by Llandrillo College and possibly also University partners and local schools involvement in heritage and restoration projects. It also has the potential to be a visitor attraction in itself.

Nigel Gilber, a retired architect, then spoke on behalf of the Trust, outlining the potential phases of the restoration project and showing sketches of each phase. Phase one, in conjunction with CCBC, would include a local enterprise zone at the landward end of the Pier, with canopy and power sources suitable for small pods / beach hut style retail units etc, , HLF funding would be required for phased two and three Phase two would comprise restoration of the next section of the Pier and a restored multi-use Pavilion, to include the stripping down of the existing shell of the pavilion, assessment of the condition of the murals to see if any part could be saved/restored and the restoration of the 1930s art deco pavilion with its inner theatre as a multi-functional space for a variety of entertainment and events. The pavilion would also house a restaurant which could provide catering and hospitality apprenticeships Phases 3 and 4 would continue the Pier boardwalk to its current length and provide beach hut accommodation, studios and seminar rooms on the seaward end, for use independently or combined as a summer school type venue with a possible focus on arts, piers and construction. He then outlined a possible fifth phase, which would require private investment but could potentially extend the Pier out into deeper water via a breakwater, which could enable larger vessels such as ferries, yachts and ships to dock and create a tidal lagoon.

Mark Roberts concluded the presentation with details of the professional team which has now been assembled to assist the Trust, including a structural engineer, architect, business planner with a track record in HLF funded projects, archaeologists and a funding specialist. This expertise now needs to

be combined to produce a convincing and viable business plan, in order to get CCBC fully on board with the project and attract external funding from funding bodies such as the HLF. The cost of putting together all the required reports to the level of detail required to satisfy both CCBC and the HLF is expected to be around £45,000, but many funders will not assist until CCBC, as the Pier owners, are on board. Mark therefore asked if the Town Council would consider bringing forward £15,000 of the financial support it has previously pledged for the Development phase to allow this initial enabling work to be completed. Other funders could then be brought in at the Development phase, once there is more project certainty and CCBC are on board.

A brief question session followed the presentation with questions and comments raised about: level of ongoing subsidy from taxpayers to keep other Piers going (Cleveland); how much CVPT has raised from the public to date? (around £5,000 in recent years and a comprehensive business plan is needed to prove there is an option other than demolition, which would have to be entirely funded by local taxpayers); concern that CCBC cannot simply demolish the Pier but would have to carefully dismantle it and store any reusable elements, all at taxpayers expense; long term sustainability is vital and this would require a pavilion to generate the level of income required; preference for a replacement headland/events space that would blend in to the new waterfront and concern that the redevelopment would be a drain on the taxpayer; support for the Trust, who have worked extremely hard; the need to reflect the views of the wider public, many of whom would like to see our Pier restored; support for new plans, but recognition of need to spend taxpayers funds wisely and there is still a long way to go and a lot of money to be raised; where the remaining funds would come from if the Town Council were to release £15,000 (HLF funding).

A request was made for a recorded vote and the Chairman then called for a proposal.

It was proposed that £15,000 be released to the Trust to enable them to do the work required to put together a comprehensive business case.

An amendment to the proposal was proposed and seconded:

That funding of £15,000 be approved for CVPT towards the costs of preparing a comprehensive business case for the redevelopment of the Pier, on the condition that the Trust can provide evidence of a minimum of £15,000 of match funding from other sources towards the estimated £45,000 total costs.

This was passed by a majority of 12 in favour, with 3 against and 2 abstentions, as follows:
