Profile

It is an honour and a privilege to have been re-elected as a Councillor on the Bay of Colwyn Town Council to represent everyone in Rhos on Sea. I continue to be passionate about “flying the flag” for Rhos on Sea working hard to be an advocate, a lobbying voice when necessary, and support efforts to achieve a bright future for the village.

I am a Christian, married to Steve, with children and grandchildren. Whilst my children were growing up I was active in their primary schools’ PTAs, acting as Secretary and Vice Chairperson, and was a School Governor at Secondary Education Level.

I re-trained as a Nurse (BA Hons) and worked in various roles from Ward level to Management of a Care home, prior to retirement.

I am involved in our local community supporting all ages, from Older Residents Groups to Youth and Parent and Toddler Groups, and assisting as a volunteer weekly in a Rhos on Sea local Charity shop and Tourist Information Office.

As a Town Councillor I enjoy all aspects of my work on various Committees and representing Rhos on Sea on the Colwyn in Bloom Committee, working for the improvement of our gardens, parks and sea front blooms. I am active in keeping our environment clean together with our beaches.

Since my first election, I have acted as Link Councillor with ROSTA (the local traders association) assisting with their Fayres and liaising with them over their ongoing concerns about the future of the village centre.

I am instrumental in the plan to introduce and sustain publically accessible defibrillators into the village amenities.

I make myself available to achieve “the best” for everyone in Rhos on Sea in our ever changing world.
