**540/19 Cyngor Bwrdeistref Sirol Conwy (CBSC):**

- a) Cyflwynodd y Clerc rhybudd o Reoliad Traffig Dros Dro ar gyfer Ffordd Greenfield, Bae Colwyn o rif 89 hyd at y mynediad i'r cyrtiau pob tywydd ar Ffordd Trefor o 27/7 tan 5/9 (Gwaith Dŵr Cymru) ac fe nodwyd hyn gan yr Aelodau.
- b) Cyflwynodd y Clerc neges e-bost oddi wrth ERF parthed y gwyriad, dros dro, o'r llwybr beicio ar y Promenâd yn Hen Golwyn. Fe gwblhawyd y gwaith o ddiweddarar ar y llwybr beicio erbyn hyn. Fe nodwyd y neges e-bost gan yr Aelodau.

**541/19 Sgipiau Cymunedol:**

Cyflwynodd y Clerc neges e-bost oddi wrth GBS Conwy parthed sgipiau cymunedol. Gofynnwyd i'r Pwyllgor gan y Tîm Ymateb i Argyfyngau Pandemig (TYAP), i ystyried a oedd angen am sgipiau cymunedol yn ardal y Cyngor Tref. Fe nodwyd bod sgipiau cymunedol yn cynnig gwasanaeth gwerthfawr i gymunedau oedd eisiau ymwared ag eitemau mwy trwchus ag i bobl nad oeddynt yn gallu mynd i'r safle ym Mochdre. Mae hefyd yn osgoi canran o arllwys sbwriel heb ganiatâd. Nid oedd CBSC wedi cyflwyno costau, a dywedodd yr Aelodau efallai bydd angen cael dau safle ar wahân ym mhob ward, er mwyn helpu'r rhai nad oedd ganddynt fodd cludiant. Bydd yn ofynnol i'r Aelodau meddwl am leoliadau addas yn eu wardiau os ydym am fynd ymlaen i baratoi sgipiau. Mynegwyd pryder am sut i blismona'r sgipiau, gydag ERF yn dweud y bydd yn ofynnol i'r cynghorwyr tref bod yn bresennol i sicrhau nad

oedd sbwriel yn cael ei adael y tu allan i'r sgipiau neu wedi iddynt gael eu symud ar ddiwedd y diwrnod. Mynegwyd pryder hefyd am yr anhawster o reoli costau os oedd y sgipiau yn parhau i gael eu llenwi, am fod y gost yn cael ei fesur ar bob gwagiad ac nid fesul diwrnod neu hanner diwrnod. Er mwyn rheoli'r costau, bydd angen cyfyngiad ar faint o weithiau bydd y sgip yn cael ei wagio, yn dibynnu ar y gyllideb. Gall hyn olygu bod y sgip olaf yn cael ei symud cyn yr 'amser olaf' a gyhoeddwyd, a dyma'r rheswm am y pryder am arllwys sbwriel heb ganiatâd.

***Penderfynwyd gofyn i GBS Conwy am y costau priodol ac adrodd yn ôl i TYAP gydag adborth y Pwyllgor.***

**542/19 Cartrefi Cymru:**

Cyflwynodd y Clerc rhestr o opsiynau am y cyfraniad i'r gymuned a gynigiwyd gan y datblygwr a Cartrefi Cymru ar gyfer y datblygiad ar gornel Kings Road, West End, Bae Colwyn a gofynnodd i'r Aelodau ystyried pa rai a roddai'r budd fwyaf i'r trigolion. Y dewis ffafriedig oedd gosod soced coeden Nadolig ac yn ail, gwelliannau eraill i ardal yr ardd / seddau cymunedol.

***Penderfynwyd bod y Clerc i drefnu ymweliad a'r safle gyda chynrychiolwyr Cartrefi Cymru / ERF i weld faint o gyflenwad pŵer sydd ar gael ar gyfer goleuadau'r goeden ac / neu ystyried gwelliannau eraill, os nad yw'r lleoliad yn addas ar gyfer soced coeden. Fe wahoddir Aelodau o Ward Rhiw i fod yn bresennol.***

**543/19 Cynllunio:**

a Cyflwynodd y Clerc y ceisiadau cynllunio a dderbyniwyd oddi wrth GBS Conwy i gael eu hystyried.

***Penderfynwyd anfon sylwadau ar y ceisiadau hyn yn unol â'r hyn a welir yn Atodlen 'A' sydd gyda hwn.***

b ***Penderfynwyd derbyn copi o'r Penderfyniadau Cynllunio a wnaed gan GBS Conwy yn y cyfnod 15/6/2020 hyd at 28/6/2020.***

**197/19 Community Skips:**

The Clerk submitted an email from Conwy CBC regarding community skips. The Committee had been requested by the Pandemic Crises Response Team (PCRT) to consider if there was a need for any in the town council area. It was noted that community skips provide a valuable service to communities who wish to dispose of bulkier items and for people who do not have access to transport to take their items to the Mochdre site. They also remove a certain percentage of fly tipping. No costs had been provided by Conwy CBC and members said two separate skip locations would probably be required per ward, to give access to those without transport. Members would be required to think of suitable locations in their wards, if we were to go ahead and provide skips. Concern was expressed how the skips would be policed, with ERF stating that town councillor(s) would be required to be present to ensure that rubbish was not left outside of the skips or after they had

been removed for the day. Concern was also expressed about the difficulty in controlling the costs, if the skips kept getting filled, as the cost is calculated per empty and not per day or half-day. To be certain of costs, there would need to be a restriction set on how many times the skip is emptied, depending on the budget. This may mean that the final skip is removed before the publicised 'end time', hence the concern about fly-tipping after it has gone.

***Resolved to request relevant costs from Conwy CBC and report back to PCRT with the feedback from the Committee.***

**198/19 Cartrefi Conwy:**

The Clerk submitted a list of options for the community contribution, offered by the developer and Cartrefi, in respect of the development on the corner of King's Road, West End, Colwyn Bay and asked members to consider which they felt would benefit the residents the most. The installation of the Christmas tree socket was the preferred choice with other improvements to the community seating/garden area in second place.

***Resolved that the Clerk arrange a site visit with representatives from Cartrefi/ERF to check that a power supply is available for tree lights and/or consider other improvements, if the location is not suitable for a tree socket. Rhiw Ward members will be invited to attend.***
