The Clerk informed members that Cllr Barton would like to use the funding allocated from his ward allowance, plus other funds raised locally, to see eight defibrillators located at approximately 3 minute walking intervals, from the fire station to Aldi in Old Colwyn. It was noted that the defibrillator at Ysgol Hen Golwyn is not included on the NHS 111 map, as it is not currently operational (a new battery will cost approximately £400).

Resolved to defer the signing of the BT contract to adopt the kiosk to await feedback from Cllr Barton on other potential sites.
