## Biography

Colwyn Bay and the surrounding area has been home for most of my Life, born in the old Red Cross centre on Victor Rd Colwyn Bay, still remember the old fair ground near the pier, and the now forgotten Dixies night club on the pier, memories of a forgotten Colwyn Bay are nothing any one can take away, we remember the past and face the challenges of the future.

Those challenges together we can overcome, we can look to and hope to a brighter future for the Bay and we can welcome all those who choose to live here. We may not be the Queen of Welsh resort's but we are one of the oldest villages in the area and that heritage should not be forgotten.

During my life I have faced many Challenges all rewarding, I started at the age of 13 in the local hotels, then employed by Quinton Hazel in Mochdre, I then joined the civil service with the Met Police Company Fraud Dept in London, I then moved back to North Wales and attended NEWI in Wrexham, after that I met the love of my life and soul mate and have had best 23 years anyone could wish for. Those interactions in life and the path you choose define a person.

The path I chose was one of compassion and consultation never forget your roots but always respect a different opinion and never judge only one person can do that.

It is an absolute honour and privilege to be elected to Colwyn Bay Town Council I'm here to serve the community I was elected to and the wider community of Colwyn Bay.
