Biography

I am Councillor for Rhiw Ward, standing for the Independent Party. I am a Christian but live in the real world attending to real issues.

My passion in Colwyn Bay and Rhos on Sea is seeing prosperity return, seeing empty shops open again and protecting the heritage of our area. Our Pier will one day again be a focal point to the seashore for the right reasons and I firmly believe its renovation will be for the betterment of the town, bring jobs and diversity.

I am married to a fantastic supportive and highly patient woman, I have through marriage, and personally a flock of children; let's just say Christmas is expensive and crowded. I also have the great joy of 5 grandchildren.

My main interest outside of the family is running and I feel alive when I am pounding the pavement in a Marathon or Half Marathon. I am also painfully aware that I'll never win anything, but I do raise funds for Children with Cancer UK whenever I compete.
