Holodd yr aelodau a oedd y gollyngiad wedi'i nodi fel carthffosiaeth neu os mai dŵr o afonydd yn dod i mewn dros dir fferm ydoedd. 433/21 Declarations of Interest:

a) Polling Stations: Members received and considered an email requesting suggestions for locations for a polling station in Glyn Ward. Members noted Cllr C Hughes' response.

Resolved to write to Conwy CBC to suggest the Fron Community Centre as a possible location for a polling station in Glyn Ward.

437/21 Sewerage Leak:

The Assistant Clerk submitted an email/letter from Cllr David Wilkins on the subject of sewerage discharges onto our beaches. Members were asked to consider Cllr Wilkins request that the Town Council (who represent the residents who swim in the sea, visit our beaches and the businesses who rely on the tourism and leisure activities generated by our beaches) write to the relevant bodies to ask them what they are doing to prevent future discharges onto our beaches. Relevant bodies could include Natural Resources Wales, Dwr Cymru and CCBC.

Members questioned if the leak had been identified as sewerage or if it was possibly water from rivers coming in over farmland. Members did not want to tarnish the reputation of Welsh Water until the source is actually known and we have more clarity. Members suggested that Cllr Wilkins be given the opportunity to reword his letter/moderate his request to re-present to Full Council next Monday.

Resolved to recommend that the Town Council writes to Natural Resources Wales to thank them for their constant monitoring of our waters and to ask them if they have identified the source of pollution or have any more information in connection with the leak.
