

COLWYN BAY WINS GOLD IN THE PRESTIGIOUS WALES IN BLOOM COMPETITION.

Following the recent adjudication visit by Jim Goodwin, Colwyn in Bloom representatives were invited to an awards ceremony in Mid Wales.

Commenting on the town's golden win, Ingrid Lewis Chair of Colwyn in Bloom said:

“The ongoing success of Colwyn in Bloom in this National competition is due to the enthusiasm and sheer hard work of numerous organisations and individuals. Congratulations and thanks must go to the Colwyn in Bloom committee, Conwy County Borough Council, Bay of Colwyn Town Council and the vast number of voluntary groups, individuals, and associations who contribute in so many ways to our local environment. They are all unsung heroes who help ensure that the ‘Bay continues to look its best throughout the year for the local community, the business community and visitors to enjoy.

In addition, I am pleased to announce that fourteen local groups were also awarded certificates in the “It’s your Neighbourhood” category by Wales in Bloom for their local environmental endeavours.

Colwyn Bay has an excellent record of success in the competition having won the Best Large Town award in the Wales in Bloom competition on over twenty previous occasions.

This year, Colwyn Bay has also represented Wales in the Britain in Bloom competition the results of which will be announced in October.
